

MONTH END REPORT: November 2009

Membership

Our members posted scores from 114 rounds- down 74% from 154 rounds in September. These scores were posted by 36 members, down from 45 in September. The average club member's 18 hole index is up a tick at 17.5 from last months 17.4. Our membership remains at 80.

November

The month started off with the Regular tournament at **Redhawk** being cancelled due to surprise aeration of the greens. The Supplemental at the **SCGA Members Course** made up the slack as it battered all who played it. **Kathy McElroy** notched her first Tournament win.

November

We begin December with local track **Victoria** as our fifth **Regular Tournament**. The fifth **Supplemental** tournament of our 2009-2010 season will be held at the **Knollwood Country Club** in Granada Hills.

Pete B.
